## No Commercial Vehicle Parking Zone Approved

**SAN BERNARDINO** – On Tuesday, the Board of Supervisors approved a no-parking area for commercial vehicles on Redwood Avenue near Arrow Route.

A resident contacted the Department of Public Works and reported that commercial vehicles parked on Redwood Avenue north of Arrow Route block drivers' view of oncoming traffic and create a safety hazard.

Public Works investigated and determined the resident's concerns were warranted. The department also noted there are no businesses in the area that require commercial truck parking on the street.

"There are a number of private lots where commercial vehicles can park legally without creating a safety hazard and without imposing on residential neighborhoods," said Board of Supervisors Chairman Paul Biane, who represents the unincorporated Fontana community as the County's Second District Supervisor.

Parking violations in unincorporated Fontana should be reported to the California Highway Patrol at (909) 980-3994.
